WELCOME ADDRESS

Dear Madam/Sir,

As part of our continuing efforts to spread the knowledge on elbow surgery, we will be organizing the 4th edition of the Madrid International Advanced Course on Elbow Surgery, IACES 2019 (www.IACES2019.com). Previous editions have consolidated this course as one of the best elbow courses with delegates from more than 30 countries and a fantastic feedback. We have the drive to improve this edition further and, to do so, we need your partnership.

The Madrid IACES 2019 will take place May 23th-25th 2019 at the centric Hotel Meliá Castilla, in Madrid. We have built a comprehensive program including state of the art elbow arthroplasty, sports injuries and tendon repair, arthroscopy and a specialty day focused on elbow trauma. As one of the innovations of next year's course, we will have demonstrative live surgery performed by faculty members.

We have confirmed an outstanding speakers panel with 25 speakers from Europe, USA and Canada. All of them are internationally recognized experts and opinion leaders on elbow surgery. We therefore expect, once more, delegates from all over the world. We truly believe IACES 2019 will be even better than previous editions with the same enjoyable and friendly atmosphere that greatly fosters the interaction between all parties involved.

As in previous editions, the Madrid Elbow Course - IACES 2019 will be also a valuable forum for orthopedic companies with interest in elbow and upper limb surgery in general. There will be a commercial area in which we expect great activity, as we have increased coffee time slots to encourage delegates to roam the stands and interact with the companies. During these three days, a large number of surgical procedures and techniques will be covered. In previous editions we have dedicated specific time slots for symposium and workshops to cover specific products. Additionally, as previously mentioned, we will perform live surgery on cadaveric specimens using implants and techniques in which you may have interest in collaborating with us.

We will be delighted if you could join us for this exciting event. Undoubtedly, your contribution to the Madrid Elbow Course - IACES 2019 will make this meeting better.

Should you accept this invitation, please contact the organizing event company (www.IACES2019.com). They can also provide you with more information if you have any specific queries.

Whether you have already participated in this event or not, we hope you can join us during Madrid Elbow Course-IACES 2019.

Best Regards,

Chairman

Samuel Antuña (Spain)

Chairman

Raul Barco (Spain)

Chairman

Joaquín Sánchez Sotelo (USA)
